

# Dr. Johny Kumar Tagore, Ph.D.

Assistant Professor, Department of Botany, St. Joseph's College,  
Trichy – 620002, Tamil Nadu, India.

Mobile: +91-97873-93528 | e-Mail: [jktagore@gmail.com](mailto:jktagore@gmail.com)

---

## Qualification

- **Ph.D.** (2018) in Botany, St. Joseph's College, Tiruchirappalli, TN, India.
- **TNSET** (2016) Qualified. Conducted by Mother Teresa Women's University, Kodaikanal, TN, India.
- **M.Phil.** (2007-2008) in Botany, Periyar University, Salem, TN, India.
- **M.Sc.** (2003-2005) in Botany, St. Joseph's College, Tiruchirappalli, TN, India.
- **B.Sc.** (2003) in Botany, St. Joseph's College, Tiruchirappalli, TN, India.

## Research Experience

- **Senior and Junior Research Fellow** in one of the world's leading Botanical Institutes – the Botanical Survey of India. The project titled **Quantitative Assessment and Mapping of Plant Resources of Andaman and Nicobar Islands** involved extensive forest field surveys all through the Andaman Islands. Application of GPS and GIS profiling of forest landscape and studies majorly on Ecology, Taxonomy and Population Dynamics were conducted. The study also involved collection, preservation and mounting of herbarium of plant specimens from various parts of the Island. (April 2011 to December 2012; January 2014 to March 2015)
- **Project Assistant** at the Department of Botany, St. Joseph's College, Tiruchirappalli, India on the project titled **Geospatial Modelling of Ecological Niche and Distribution of Some Threatened Species in Eastern Ghats of Tamil Nadu** which involved extensive field surveys all through the forests of Eastern Ghats of Tamil Nadu studies focusing majorly on Ecology, Taxonomy, and GIS profiling of landscape (January 2013 to December 2013).

## Teaching Experience

- **Assistant Professor** at PG and Research Department of Botany, St. Joseph's College (Autonomous), Trichy, Tamil Nadu (Since June 2018)
- **Assistant Professor** at PG and Research Department of Botany, JJ College of Arts and Science (Autonomous), Pudukkottai, Tamil Nadu (July 2017 to May 2018)

## Publications

1. P. Raja, **Johny Kumar Tagore**, S. Soosairaj and N. Dhatchanamoorthy (2022) *Jasminum greenii* sp. nov. (Oleaceae): A new species from Tamil Nadu, India. *Indian Forester*, 148(1): 107-108.

(Leguminosae-Faboideae), New Distributional Records to the Flora of Andaman and Nicobar Islands. *Journal of Economic and Taxonomic Botany* 36(4):840–842.
21. Alok Choarge, J. Swamy, **Johny Kumar Tagore**, M. Venkat Ramana and P.V. Prasanna (2013) *Ichnanthus pallens* (Poaceae) – New Record for India from Andaman and Nicobar Islands. *Indian Journal of Forestry* 36(1):79–82.
22. M. Venkat Ramana, Mayur Nandikar, R.V. Gurav, **Johny Kumar Tagore**, and M. Sanjappa (2013) *Murdannia saddlepeakensis*(Commelinaceae) – a new species from Andaman and Nicobar Islands, India. *PhytoKeys*.20:9–15.
23. M. Venkat Ramana, **Johny Kumar Tagore** and Avishek Bhattacharjee (2012) Report of two medicinal and aromatic gingers from Andaman and Nicobar Islands, India. *Journal of Threatened Taxa* 4(5): 2582–2586.

#### **Oral and Posters Presented in Conference**

- **Invading Mars: Who Could Be Our Foot-soldiers**

Poster presented at the International Conference on ‘Sustainable Utilization, Management and Conservation of Bioresources’ held at St. Joseph’s College, Tiruchirappalli, Tamilnadu. 10–11 January 2013.

- **Zingiberaceae of Andaman and Nicobar Islands and its Ex-situ Conservation**  
Oral presentation at the International Conference on ‘Sustainable Utilization, Management and Conservation of Bioresources’ held at St. Joseph’s College, Tiruchirappalli, Tamilnadu. 10–11 January 2013.
- **Rediscovery and New Distributional Records for Andaman and Nicobar Islands and India from North Andaman Islands**  
Oral presentation at the 21st Annual Conference of ‘Indian Association for Angiosperm Taxonomy’ and National Seminar on ‘Biodiversity Conservation and Climate Change’ held at CSIR-IMMT, Bhubaneswar, Odisha. 2–4 December 2011.

### Seminars / Workshops / Short Courses

1. **Antimicrobial Stewardship: A competency-based approach** conducted by World Health Organization, OpenWHO Course (2023-03-07).
2. **OER - Search, Identify, Repurpose and Create your OER** conducted by St. Joseph’s College, Trichy (2021-09-25).
3. **Genes and the Human Condition (From Behavior to Biotechnology)** conducted by University of Maryland, USA (2021-03-26).
4. **Climate Change: From Learning to Action** conducted by United Nations Institute for Training and Research (UNITAR) and UN CC: Learn. (2020-06-21)
5. **Children and Climate Change** conducted by UNICEF and UN CC: Learn. (2020-06-15)
6. **Introduction to Sustainable Development in Business** a 4-week MOOC course conducted by Open University of Mauritius and the Commonwealth of Learning, Mauritius. (2020-06-05)
7. **Research Capacity Building** under UGC STRIDE Scheme, organised by V.O.C. College, Thoothukudi. (2020-06-15)
8. **Perspectives on Recovery from COVID-19** conducted by Harvard Medical School, USA. (2020-06-13).
9. **COVID-19 Contact Tracing** conducted by Johns Hopkins University, USA. (2020-05-14)
10. Science Academies’ Lecture Workshop on **Investing in Biodiversity Conservation** organized by PG and Research Department of Botany, J.J. College of Arts and Sciences (Autonomous), Pudukkottai, TN, India. 18–19 August, 2017.
11. UGC-NRCBS’ **34<sup>th</sup> Winter School on Contemporary Ecological Issues** organized by the School of Biological Sciences, Madurai Kamaraj University, Madurai, TN, India. 15–28 February 2017.
12. DST-Sponsored National Workshop on **Data Science Research - Biological Data Management** organized by the Department of Botany, Jamal Mohamed College, Tiruchirappalli, TN, India. 23–25 January 2017.

13. Science Academies' Lecture Workshop on **Floristic Diversity and its Conservation** organized by PG and Research Department of Botany, Vivekanandha College of Arts and Sciences for Women (Autonomous), Tiruchengode, TN, India. 5–7 January 2017.
14. MHRD Sponsored National Training Programme on **Mangrove Biodiversity** organized CAS-Marine Biology, Annamalai University, TN, India. 3 March, 2016.
15. Was selected among 100 candidates to participate in Science Academies' Lecture Workshop on **Bioprospecting and Biorecources** organized by PG and Research Department of Botany, St. Joseph's College, Tiruchirappalli, TN, India. 10–12 February, 2016.
16. International Conference on '**Sustainable Utilization, Management and Conservation of Bioresources**' held at St. Joseph's College, Tiruchirappalli, Tamilnadu. 10-11 January, 2013.
17. International Conference on '**Recent Perspectives in Macromolecular Structures and Functions**' held at CARI, Port Blair, Andaman and Nicobar Islands. 27-28 January, 2012.
18. National Seminar on '**Biodiversity Conservation and Climate Change**' held at CSIR-IMMT, Bhubaneswar, Odisha. 2-4 December, 2011.

#### **Programmes Organised**

1. 4-Day International Webinar Lecture Series on Medicinal Plants and Drug Research, St. Joseph's College, Trichy. (2020-08-03)
2. Current Issues Emerging over Environment and Education, St. Joseph's College, Trichy. (2020-07-28)
3. DBT-STAR Sponsored One-day Workshop on Bioinstrumentation, St. Joseph's College, Trichy. (2020-02-14)

#### **Fellowships, Honours and Achievements**

- Recipient of **Junior Research Fellowship** from the **Department of Biotechnology**, Government of India, New Delhi, India. (April 2011 to December 2012; January 2014 to May 2014)
- Recipient of **Senior Research Fellowship** from the **Department of Biotechnology**, Government of India, New Delhi, India. (June 2014 to March 2015)
- A **photograph** of Andaman and Nicobar Landscape taken by me was selected and published in the **Tamil Nadu State Textbook**. (Page number 119: <http://www.textbooksonline.tn.nic.in/Books/Std10/Std10-SocSci-EM.pdf>)

#### **Academic Projects**

- **Status Assessment of Plants Endemic to Saddle Peak National Park of Andaman Islands** (2016) done for my Ph D thesis where assessment of threat status of 25 plants endemic to the Saddle Peak National Park using the IUCN Categories and Criteria was performed.
- **Preliminary Survey on Phyllosphere Pathology in Pacchaimalai Hills, Eastern Ghats** (2008)

was conducted for M Phil to study various infections on the canopy cover of the forest of Pacchaimalai Hills of the Eastern Ghats.

- **Micropropagation of *Premna integrifolia* (L.) through nodal explants** (2005) was carried-out in M Sc using the *in vitro* propagation of this rare medicinal plant through tissue culture techniques.

### **Specialisation and Selected Technical Skills**

- **Mapping:** Mapping of species using GIS and GPS and geospatial modelling and ecological niche analysis.
- **Threat Analysis and Conservation Assessment:** Application of IUCN Categories and Criteria in assessing the threat category of a species using various analytical methods such as EOO, AOO, population size, etc.
- **Microbiology and Tissue Culture:** Preparation and standardisation of medium, inoculation, microbial culture. Callus culture, *in vitro* propagation of explants, hardening.

### **Others**

- Production Associate at Cepha Imaging Private Limited, Bangalore. (Oct-2005 to Mar-2011)
- PG Diploma in Effective Communication from Joseph's Institute of Management, Tiruchirappalli. (2004–2005)

### **Personal Information**

Date of Birth: 05-11-1978  
Father: Amalraj, P.  
Marital Status: Married  
Nationality: Indian  
Languages known: English, Tamil, Hindi\* and Kannada\*

(\*to Speak)
